Oversight has presented this fiscal note on the best current information that we have or on prior year information regarding a similar bill. Upon the receipt of agency responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval of the chairperson of the Joint Committee on Legislative Research to publish a new fiscal note.

Officials at the **Department of Economic Development, Department of Corrections, and Department of Conservation** each assume this proposal will not have a fiscal impact on their respective organizations.

Officials at the **Missouri State University, Northwest University, State Technical College of Missouri, and University of Missouri** each assume this proposal will not have a fiscal impact on their respective organizations.

Officials at the school districts of **Macon County R-IV, Malta Bend, New Haven, West Plains R-VII, and Wright City R-II** each assume this proposal will not have a fiscal impact on their respective organizations.

No direct fiscal impact to small businesses would be expected as a result of this proposal. Also, this legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
